The Astigmatic Eye-Piece for Opera-Glasses

Atlanta Constitution. After a most successsful season in the South, where newspapers were boycotted and editors arrested, the new lottery law—or rather the law that was designed to affect lotteries—has made its appearance in the North, where business men are being persecuted by it. This is notably the case in Philadelphia, where jewelry merchants, tes merchants and other business men are being persecuted for so-called violations of being prosecuted for so-called violations of the law. The result is, a loud protest and a general revision and overhauling of busi-ness affected by the far-reaching law.
